### **3. 5 A-Side Leagues – including fees and match cancellation policy**

Registration into one of our leagues is to be done via our online registration located on the Goals Australia website. To register a team, a nominated team captain must go through the registration process – outlined through the steps on the registration page – and register the team into the league. There is a non-refundable \$160 commitment fee which is to be paid prior to the start of any league and ensures your teams place within the nominated league. This commitment fee also covers the last 2 weeks of match payments for the league. There is no registration fee for any team. The person completing the registration form is responsible for collecting any fees from other players within the team. Goals has a one team, one payment policy: there are no split payments allowed. The weekly team match fee of \$80 is to be paid as one whole payment. If paying in cash, the full \$80 amount is to be given all at once. If paying by card, the full \$80 must be paid in a single transaction. Matches will not start until both teams have paid the weekly match fee/any outstanding balance.

The full league fee for a team will be \$80 times the length of the league (number of weeks the league will be run for). The total amount will be deducted by the \$160 commitment fee once the team has been registered with the remaining amount to be paid on a weekly basis of \$80 (this being the team match fee). A team is able to pay more than the weekly team fee of \$80 if they wish to do so; we require the team to pay the minimum amount of \$80 per week, per team to take the pitch and for the match to commence. By choosing to register a team and play in one of our leagues, you are committing to paying the full amount of the league.

Goals Australia requires a minimum of 4 players to take the pitch for a team for the match to be worth full points. If there is a circumstance where a team is unable for this to happen, the match cancellation policy is outlined as such:

- a) If more than 24hrs notice has been given to the staff at Goals, the team that is unable to play will still pay their teams weekly match fee of \$80 plus half of the opponents match fee (\$40). The \$120 must be paid before the following weeks match.
- b) If less than 24hrs notice has been given to the staff at Goals, the team that is unable to play will still pay their teams weekly match fee of \$80 plus the full amount of the opponents match fee of \$80. The \$160 must be paid before the following weeks match.
- c) The team that is unable to field a side will forfeit the match with the result being a 10-0 win to the opponent.

Under the circumstance where a team is unable to play out the remainder of the league, the team will still be liable for the weekly match fees on a continual basis for all remaining games until a replacement team is found to take over their place within the league.

No refunds are provided for any/all league match or commitment fees.

In the event of an extreme weather occurrence, a scheduled fixture may be deemed to be unplayable and the match abandoned. The decision to abandon a match at any point due to safety reasons or the playing surface being unstable is and will be at the referee or a Goals Australia representative's discretion.

In the event of games being called off, a match that is in the first half will be rescheduled for a later date. A match that has reached at least the five (5) minute mark of the second half will result in the current score being the final result.
